We, the students of Mattawan High School, proudly dedicate the 1962 Mirror to "Coach" Raymond Arndt. He is a faithful teacher, class sponsor, coach, and friend.

His strength as a coach has led our basketball team to the K.V.A. Co-Championship and the District Championship for this year.

We "Thank You" Coach Arndt for all that you have done for us.

FUTURE PLANS
College

Every year a group of students start the long trek that culminates in their senior year and eventual graduation. It is a long hard road filled with many pitfalls; homework, classes, extra-curricular activities, and activities designed to assist in raising money. By a combination of hard work and perseverance, we Seniors, have fully completed both of the tasks we set for ourselves four years ago. Our trip to New York is completed and graduation is just around the corner.

The Senior activities have been many and varied. They ranged from paper drives to a ham supper; from the Senior Play, "Finder Creepers" to the talent show, "A Re-eally Big Show". With all of our activities, we Seniors needed some adult supervision which we gratefully received from our two wonderful sponsors, Mrs. Hoger and Mr. Silva. We also received much help from all of the other teachers; from the citizens of the community; and, mostly, from our parents. We, the Seniors, wish to thank all of these individuals who have made these past four years so wonderful.
